

LET'S LIGHT THE FIRE OF MEMBERSHIP

Supreme Session in Portland, Oregon in June was full of exciting ideas and programs. We were inspired by representatives from Shriners International whose job it was to motivate us by encouraging us to remember that each day is “Membership Day” in Daughters of the Nile.

Your Supreme Temple Membership/Public Relations Committee has put together several tools to help each member celebrate “Membership Day” each and every day.

Each Temple Recorder has received a Tinderbox of Ideas booklet. In this booklet are tried and true ideas from Nile Temples and other organizations to Recruit, Retain, Restore, and Mentor our members. This Tinderbox of Membership Ideas is provided to help you maintain and increase membership in Daughters of the Nile. In order to do this we have included a plethora of ideas to Recruit, Retain, Restore, and Mentor the membership of your Temple.

Another tool that was made available during the Supreme Session is a “Matchbox” business card size holder. This Matchbox holder contains a pocket proposal, information about who we are and what we do, as well as folders with web site links contact information.

Each Pr. Recorder received a video entitled “Who are the Daughters of the Nile?” last spring. It is to be used as a recruiting tool at Shrine, Masonic, or other appropriate functions. Please use it to show off our heritage, members, and units.

Membership is not, or should not be, a single member’s job. Membership is a job belonging to each member of Daughters of the Nile, so let’s all join in celebrating Membership Day!

Happy Membership Day to each member of Daughters of the Nile!
