

HELLO!

I am a **BABY BOOMER.**

I was born sometime between 1945 and 1955.

Maybe I have raised a family and my nest is now empty.

Maybe I have just retired.

Maybe I have time, and the need to meet more people.

Maybe I need to be needed.

Maybe I have some empty hours to fill.

Like many women of this generation, I have had a very busy and successful life, and now I am ready to give back.

For sure, I will be looking for information about places where I can offer to volunteer my time in order to support a worthy cause.

DAUGHTERS OF THE NILE, do you know a lady who may fit this description?

She could be you or your spouse's mother, sister, aunt, niece, cousin, second or third cousin, a friend, a co-worker, your hairdresser... the list is endless.

If you do not ask her first, and tell her about our organization, and tell her about what we do, she will find another group where she is needed.

In the next ten years we have the opportunity to increase our membership drastically, IF we approach these ladies now.

Wishing all Temples growth in membership in 2014,
Marlene MacKay, PQ, Omar Temple No. 111
Membership Public Relations Committee
